CRUISER TEAMS READY TO PLAY

WILL SHOW HONOLULU WHAT BASEBALL IS, OR ELSE BE SHOWN.

Baseball games between the different teams in the squadron, and the Champion Saints and the Picked teams are nearly assured. Jess Woods had a long talk yesterday with Captain Lay, who has charge of the squadron teams, and the first game next Saturday will be between the Picked team that played last Monday with the champions, and a team from the warship. The second game will be between the Saints and another team from the cruisers. It is also very possible that two games will be played on Sunday.

The team from the Colorado were out at practice yesterday afternoon at Ania Park and went through some hard work and from all appearances seem to be a very husky bunch. The teams from the cruisers will give the local teams a good hard fight, was the remark passed by a number of the fleet officers yesterday.

THE "OUR JACK" BASEBALL LEAGUE

KAKAOKO RESIDENTS PREPARED NOW TO USE THEIR BIG NEW DIAMOND.

A meeting of the new Atkinson baseball league was held last night at the Government stables in Kakaoko, and an election of officers was held. Sam Johnson was elected President, Jack Atkinson was elected vice president, N. Jackson secretary and Joe Leaf treasurer. Another meeting will be held on Friday night to arrange the details of the opening, which will take place on Sunday, September 15.

Five teams will be in the new league consisting of the Police, Stars, Unknowns, Sanitary Steam Laundry and H. A. C. teams. The matter of uniform was taken up at this meeting and it was decided that every team should be obliged to have a distinct uniform and that the rule should be strictly enforced. It was also decided that any rowdism should be punished by instant dismissal and the player or players indulging in the same should be debarred from games. Sam Johnson and Jack Atkinson will act as the battery for the first ball thrown at the opening of the new league.

SAIL BY THE LIGHT OF MOON

HAWAII YACHT CLUB MEMBERS PREPARE FOR CRUISE TO PEARL HARBOR.

The moonlight sail of the Hawaii Yacht Club will take place on Saturday September 14 to Walkers Inlet at Pearl Harbor. It is hoped that every member of the club will enter a yacht, and a good time is looked for.

The following letter has been sent to every member of the club.
"Dear Sir: A squadron cruise to Walker's Inlet, West Loch, Pearl Harbor has been ordered by the commodore, to leave Honolulu September 14, at 2 p. m., and returning September 15. All yachts, large and small, are expected to turn out for this cruise, as it is the desire of the commodore to keep up the fine showing and the enthusiasm that has prevailed this season.

"It is hoped that all the yachts will be ready for the start, as it is intended to sail out in a fleet, keeping together all the way. All yachts to carry their own provisions.

"REGATTA COMMITTEE."

CRUISERS HAVE GOLF PLAYERS TOO

RULES MAY BE CHANGED TO ALLOW THEM TO ENTER TOURNAMENT.

Every one who plays golf is looking forward to the tournament on Sunday for the championship of the islands. Nearly all the golf players of the Country Club are going to play, and if the rule regarding residents is changed it is possible that a number of the officers in the fleet will also enter. Captain Lay of the Marine corps was playing yesterday afternoon and from his form ought to be a strong competitor in the coming tournament if he should enter.

Harold Giffard, one of the best players in town, will be unable to enter the tournament this year on account of illness. When he is playing his game he is one of the best players in the islands. The chances are there will be a big gathering to witness the playing, and the club has provided an extra fine luncheon for the occasion.

HINDOOS BRING TRACHOMA.

SAN FRANCISCO, Aug. 20.—The immigration officials have denied landing to forty-seven Hindoos who arrived from India on the steamer Asia, pending an examination regarding their physical qualifications. Most of them have trachoma. There were 106 in the party. The others have already left for the hop fields, where they are engaged. The men are from the famine-stricken districts of India and are very much emaciated. One man, a carpenter, stated that he received 10 cents a day in India. The men almost starved coming over, although there was plenty to eat on the vessel. They will not eat of any living animal which has been killed by any but one of their number.

NOT A FIGHT.

be very much regretted by the polo players. He has done a good deal to help the local team by his advice regarding different plays, as he has had a good deal of experience at Burlingame and other places in California. It is very possible that he will take charge of the ponies for the All Hawaii Polo team when they arrive on the coast next Spring, and some of the points that he will pick up now on his return to the coast, will be very valuable to the island boys.

WEEKLY WEATHER BULLETIN

For the Week ended August 31, 1907.
Honolulu, Sept. 3, 1907.
GENERAL SUMMARY.

Light to moderately heavy rains generally occurred over the section, the greatest amounts being reported from the Hamakua and Hilo districts of Hawaii, where they ranged from 3.60 to 8.06 inches, and the Koolan, Hamakua and Hamakua districts of Maui, where they varied from 2.89 to 5.34 inches. In the Kohala, Puna, Kau and Kona districts of Hawaii, the amounts ranged from 1.08 to 2.02 inches; from .00 to .41 inch in the Kula, Waikuku and Lahaina districts of Maui; from .00 to 1.05 inches on Oahu, and .11 to .73 inch on Kauai and Molokai.

The following table shows the weekly averages of temperature and rainfall for the principal islands and for the group:

	Temperature.	Rainfall.
Hawaii	74.1 deg.	3.20 in.
Maui	75.7 deg.	1.93 in.
Oahu	78.1 deg.	0.39 in.
Kauai	76.5 deg.	0.37 in.
Molokai	75.4 deg.	0.56 in.

At stations having a record of ten or more years the rainfall was above the average for the week .91 inch to 3.55 inches in the Hilo and Hamakua, and .10 to .50 inch in the remaining districts of Hawaii. The weekly amounts were below the average .13 to .29 inch on Oahu, and .07 to .43 inch on Kauai.

The total amount for the week was less than that of the preceding one 1.06 to 2.50 inches in the Koolan and Puna districts of Kauai; 1.29 to 4.92 inches in the Hamakua, Koolan and Hana districts of Maui; and 3.15 to 5.09 inches in the Puna and Kau districts of Hawaii. It was greater than last week's 1.34 inches in the northwestern portion of the Kohala, and from 2.32 to 4.22 inches in the southwestern portion of the Hilo and in the Hamakua districts of Hawaii. In the remaining portions of the section the changes did not equal 1.00 inch.

The following excessive rainfall were reported. Hawaii—20th (Honolulu), 2.71 inches and Kaunaloa, 3.00 inches.

MOTHERHOOD

MRS. DANIEL SULLIVAN

Unquestionably preparation for healthy maternity is accomplished by Lydia E. Pinkham's Vegetable Compound more successfully than by any other medicine, because it gives tone and strength to the entire feminine organism and renders it perfectly normal.

A woman in good physical condition transmits to her children the blessings of a good constitution. Read what Lydia E. Pinkham's Vegetable Compound did for Mrs. Sullivan, 589 E. 7th Street, Flatbush, N. Y.

"What a blessing Lydia E. Pinkham's Vegetable Compound is to motherhood. I send you a picture of my three months' old baby and myself, and the photo shows the splendid condition of our health. That I am so well and the baby so healthy and happy is entirely due to your excellent remedy Lydia E. Pinkham's Vegetable Compound. I took it for five months before baby came and it brought me an easy confinement and kept me strong, whereas I was weak and in perfectly miserable health all the time when my first three children were born."

Mrs. Geo. Walters of Woodlawn, Ill., also writes:
"I feel it my duty to tell of the good Lydia E. Pinkham's Vegetable Compound has done me and to recommend it to all expect-

tant mothers to insure a healthy child and easy birth. I had lost three children and was discouraged when a friend advised me to try Lydia E. Pinkham's Vegetable Compound. I did so and it not only kept me well and strong but I have as healthy a child as you will find anywhere. I hope other discouraged women may read this letter and take Lydia E. Pinkham's Vegetable Compound and be benefited by it as I have been."

Women should remember that for more than thirty years Lydia E. Pinkham's Vegetable Compound has been without a rival in sustaining woman's health and curing all those painful ailments peculiar to her sex. Its record shows that it has cured almost every form of female complaint, organic troubles, inflammation and ulceration, falling and displacements, and consequent spinal weakness, and is peculiarly adapted to the periods of child-birth and change of life. It cures backache and all those bearing down sensations.

If there is anything about your case you do not understand write to Mrs. Pinkham, Lynn, Mass., for advice. It is absolutely free. Thousands of women have done so and have received help.
